

MSI

Making Dream Surfaces Attainable

COUNTERTOPS & SINKS

MSI is North America's largest full service distributor of premium quality countertops.

Our countertops selections include Q™ Premium Natural Quartz, granite, marble, Stile Porcelain slab and quartzite. In addition to countertops, MSI carries a wide variety of sinks so customers can find their kitchen and bath needs at one location. With over 40 showrooms and selection centers across North America and a fleet of over 300 trucks, MSI is the perfect place to hand select high-quality material for your next project.

QUARTZ: A NATURAL BEAUTY WITH ETERNAL LOOKS

There are countertops, and then there's Q. In a league all on its own, Q Premium Natural Quartz Countertops embodies modern elegance with the perfect mix of natural and manufactured materials for superior style and performance. With over 100 scratch, heat, and stain resistant styles, you can count on Q to retain its good looks even in the busiest of settings.

WHY Q?

Q Premium Natural Quartz is a leading-edge collection of unique and innovative countertop solutions from MSI, an esteemed family-owned multi-surface company and the number one importer of quartz slabs in the United States. With global sourcing capabilities and other state-of-the-art facilities along with U.S.-based manufacturing, MSI can offer solutions for any space and design challenge. With a nationwide reach of over 40 distribution centers across major cities, we make dream surfaces attainable.

LUMALUXE

Q Premium Natural Quartz with LumaLuxe and LumaLuxe Ultra creates today's most beautiful natural quartz countertop. A breakthrough in quartz engineering, LumaLuxe is an exclusive MSI formulation which enhances how light interacts with your countertop surface, ultimately pushing the boundaries of realism with increased depth, dramatic veining, and more immersive colors.

VARIETY OF ON-TREND COLORS & STYLES

Q Premium Natural Quartz is available in a wide array of marble, natural and modern designs. Beautiful and timeless colors, from warm to cool white, light to dark gray tones, and rich creams and inviting browns, enhance the look of a room no matter the design. Dramatic to subtle veins offer the look of natural marble.

DURABLE

Treated and pressed, natural quartz is one of nature's hardest minerals. Q Quartz offers a 99.9% solid, non-porous surface with superior stain, scorch, scratch, and chip resistance to stand up against the wear and tear of daily life.

LOW MAINTENANCE

Q Premium Natural Quartz requires no sealing, polishing, or reconditioning. The products are easy to care for and maintain, minimizing the need for harsh chemicals. Additionally, the natural, non-porous surface resists stains from coffee, tea, fruit juices, food coloring, and many other surface agents.

Q™ MANUFACTURING FACILITY, ELITE QUARTZ

MSI's domestic manufacturing plant located in South Carolina utilizes both patented processes and state-of-the-art machinery to produce the whitest and most natural looking quartz in the market.

LUMALUXE ULTRA[®]

LIGHT • REALISM • DEPTH

Built on the breakthrough LumaLuxe formulation, LumaLuxe Ultra is a proprietary and patented technology exclusively produced by Elite Quartz- MSI's South Carolina manufacturing facility.

WHAT DOES LUMALUXE ADD TO OUR QUARTZ DESIGNS?

In a word: Depth!

We hear time and time again that what makes natural stone Quartzite's desirable as a surface is the translucency and depth of material, LumaLuxe adds depth of color to Quartz material enhancing the beauty and naturalism of veining and background color.
